Rules Enforcement & 3-Strike Policy

Our goal is always a great experience for everyone. When rules are broken, we enforce fairly and consistently.

Strike 1 – Warning

- Verbal or written warning with the rule explained and expectations clarified.

Strike 2 – Final Warning

- Written warning. Continued noncompliance may result in immediate removal and loss of membership.

Strike 3 – Removal / Revocation

- Immediate removal from the property and membership revocation.

Serious violations may result in immediate removal without prior strikes (e.g., unsafe behavior, threats, vandalism, harassment, illegal activity, or repeated disruption of quiet hours).

Friendly reminder: our goal is a safe, respectful, and enjoyable community for everyone.
